

LIVING MUSIC

THE UNIVERSAL LANGUAGE

Living Music is playful and profound.
Come and experience this exciting and innovative
approach to learning life skills through music.

Living Music is the Art of being musical
in our thoughts, words and actions.

Come and explore these simple, interactive and creative
exercises for transforming and healing our lives.

Your whole being will come alive with the joy of discovering the
music you are through rhythm, melody, harmony and tone.

Deepen your self-empowerment, communication and
co-creative skills. Expand and refine your intuitive capacity.

We are the instrument, Life is the Music.
